Shortlist Vendors Notified	On or before April 3, 2026
Vendor Demonstrations	Week of April 13, 2026
Notice of Determination Posted	May 1, 2026

Due to the number of proposals received, Evaluation team members have requested an extension for the first-round evaluation period. Team members expect to complete their initial reviews and submit their first-round score sheets to the State Office for compilation and averaging on or before April 1, 2026. The State Office currently plans to notify vendors of their final scores and contact shortlist vendors to set up demonstrations and discuss the second-round scoring process on or before April 3, 2026. System demonstrations will now be scheduled for the week of April 13. If a shortlist vendor is selected from the second-round scoring, the State Office will post a notice of determination in the Florida Vendor Information Portal and the official SGAL website on or before May 1, 2026.

The advertisement for this RFP in the Florida Vendor Information Portal has already closed and, since the Department of Management Services is unable to reopen the ad for additional postings, the SGAL State Office will post this revised schedule of events with all other RFP documents on its official website and email a copy of the revised schedule to all vendors who submitted responsive proposals.

ASIDE FROM THE CHANGES INCLUDED IN THIS NOTICE, ALL OTHER DATES AND REQUIREMENTS FOR THIS RFP AND ITS PREVIOUSLY AMENDED DOCUMENTATION REMAIN UNCHANGED.
